- 1. Once you have entered LeRoy Oakes, continue driving along the road, past the Creek Bend Nature Center.
- 2. Take a left (North) when the road tees, just past the parking lot with the big red barns and the Durant Peterson House.
- 3. Follow that road all the way back to the very last parking lot (you can't go any further) and you're there!
- 4. Once you park, follow the paved trail (Randall Road Trail) North, across the small bridge to find the StoryWalk[®]. It is in a sheltered (aka shaded) part of the trail, but still on a paved trail so everyone can enjoy the story!
- 5. The portion of the trail with the StoryWalk® is highlighted in red in the above map.
